B Town of Gore Bay

Town of Gore Bay Zoning By-law 2022-24

1.0 Authorization and Administration

1.1 Title

This By-law shall be known as the "Zoning By-law for the Town of Gore Bay" or By-law No. 2022-24.

1.2 Defined Area

This By-law applies to all land included on Schedule B to this By-law within the boundaries of the Town of Gore Bay, herein after known as the Town, and to the adjoining shores of various lakes and rivers including land covered by water wherever there is or may be erected any jetty, boathouse, pier or other building or structure.

1.3 Effective Date

This By-law shall come into effect on the day it is passed by the Town subject to the appeal provisions of the *Planning Act*.

1.4 Scope

No building, structure or land shall be used, and no building or structure shall be hereafter erected within that portion of the Planning Area as now or henceforth legally constituted to which this By-law applies except in conformity with the provisions of this By-law.

1.5 Administration and Enforcement

This By-law shall be administered by the Chief Administrative Officer/Clerk or such other person as the Town shall designate, and no permit for the use of land or for the erection of any building or structure or approval of any municipal license within the area to which this By-law applies, shall be issued where the proposed use, building or structure would be in violation of any provision of this By-law.

1.6 Application and Plans

In addition to the requirements of this Zoning By-law, every application for a building permit shall be accompanied by plans, drawn to an appropriate scale and based upon an actual survey, at the discretion of the Chief Building Official, and showing:

1. the true shape and dimensions of the lot to be used or upon which it is proposed to erect any building or structure;
2. the proposed location, height and dimensions of the building, structure or work in respect of which the permit is applied for;
3. the location of every building or structure already erected on or partly erected on such lot, and the location of every use, building or structure upon adjacent lots;
4. the proposed location of parking spaces, loading spaces, driveways, landscaping areas or planting strips as may be required; and
5. other such information as may be necessary to determine whether or not every such building, structure and work conforms to the requirements of this By-law.

Town of Gore Bay

Zoning By-law 2022-24

Every such application shall be signed by the owner of the lot or the owner's agent duly authorized thereunto in writing and by the Chief Administrative Officer/Clerk and such application shall set forth in detail the current and proposed use of the lot and any building or structure thereon, together with all information necessary to determine whether or not every such proposed use of land, building or structure conforms with the requirements of this By-law.

1.7 Conformity

No land to which this By-law applies shall hereafter be used and no building or structure shall hereafter be erected or used except in accordance with the general and special provisions of this By-law, but nothing in this By-law prevents the use of any land, building or structure for any use prohibited by this By-law if such land, building or structure was lawfully used for such purpose on the day this By-law comes into effect.

1.8 Licenses, Permits and Other By-laws

Nothing in this By-law shall exempt any person from complying with requirements of the building By-law or any other By-law in force within the Town or from obtaining any permit, license, permission, authority or approval required by this or any other By-law of the Town or by any other law in force from time to time.

1.9 Greater Restrictions

This By-law shall not be effective to reduce or mitigate any restrictions lawfully imposed by a governmental authority having jurisdiction to make such restrictions.

1.10 Inspection

The authority having jurisdiction to enforce this By-law from time to time is hereby authorized, after reasonable notice to the owner or assessed owner, occupant or apparent occupant of the property in question, to enter at all reasonable hours for the purposes of inspection.

1.11 Violation and Penalty

1. Pursuant to Section 429 of the *Municipal Act, R.S.O., 2001, Chapter 25* and to Section 67 of the *Planning Act, R.S.O., 1990, Chapter P13*, as amended respectively, every person who contravenes any of the provisions of the Zoning By-law shall upon conviction thereof, forfeit and pay a penalty not exceeding \$25,000 exclusive of costs for each offence, and on a subsequent conviction to a fine of not more than \$10,000 for each day or part thereof upon which the contravention has continued after the day on which the person was first convicted. All of the provisions of which shall apply, except any term of imprisonment for default of the payment of the fine and costs imposed under this By-law shall not exceed six (6) months. The imposition of the penalty for contravention of this By-law shall not excuse the condition or matter resulting in such contravention or permit it to continue.
2. In addition to any penalty provided by this By-law, any contravention may be restrained by action at the instance of any ratepayer or of the Town to the provisions of Section 45 of the *Planning Act, R.S.O., 1990, Chapter P13*, as amended, in that behalf.

Town of Gore Bay Zoning By-law 2022-24

1.12 Repetition of Offences

The conviction of an offender upon a breach of any of the provisions of this By-Law, shall not prevent prosecution against the same offender upon any subsequent breach of the same or any other provision of this By-Law.

1.13 Remedies

Where any building or structure is or is proposed to be erected, reconstructed, extended or enlarged, or any building or structure or part thereof is or is proposed to be used, or any land is or is proposed to be used, in contravention of any requirements of this By-law such contravention may be restrained by action at the instance of any ratepayer or of the Town pursuant to the provisions of the *Planning Act*.

1.14 Validity

Should any section, or part of a section, of this By-law for any reason be held to be invalid, it is the intention that all the remaining provisions shall remain in full force and effect.

2.0 Interpretation

2.1 General

In their interpretation and application, the provisions of this By-law shall be held to be the minimum requirement adopted for the promotion of the public health, safety, convenience or general welfare. Whenever the requirements of this By-law are at variance with the requirements of any other By-law, the most restrictive, or the By-law imposing the higher standards, shall govern and apply. Nothing in this By-law shall be construed to exempt any person from complying with the requirements of any other By-law of the Town or from any law of the Province of Ontario or of Canada.

2.2 Certain Words

In this By-law, words used in the present tense include future; and the word “used” includes “arranged, designed or intended to be used”; the word “shall” is mandatory and not discretionary.

Unless the context clearly indicates the contrary, where a regulation involves two or more items, conditions, provisions or events connected by the conjunction “and”, “or”, or “either-or”, the conjunction shall be interpreted as follows:

1. “and” indicates that all connected items, conditions, provisions or events shall apply in any combination;
2. “or” indicates that the connected items, conditions, provisions or events may apply single or in combination; and
3. “either-or” indicates that the connected items, conditions, provisions or events shall apply single but not in combination.

2.3 Interpretation of Similar Permitted Uses

Uses other than those hereinafter specifically mentioned as uses in each of the zones, may be permitted therein, provided such uses are similar to those specifically mentioned and are, in the opinion of Council, or a designate of Council, not more obnoxious or detrimental to the welfare of the community, than the permitted uses specifically mentioned in the respective zone.

2.4 Technical Revisions

Revisions may be made to this by-law without the need for a zoning by-law amendment in the following cases:

1. correction of grammar, punctuation or typographical errors, or revisions to format in a manner that does not change the intent of a provision;
2. adding or revising technical information on maps or schedules that does not affect the zoning of lands including, but not limited to, matters such as updating and correcting infrastructure information, keys, legends, or title blocks; and
3. changes to appendices, footnotes, headings, indices, marginal notes, tables of contents, illustrations, historical or reference information, page numbering, footers, and headers, which do not form a part of this by-law and are editorially inserted for convenience of reference only.

Town of Gore Bay Zoning By-law 2022-24

2.5 Zones

For the purpose of this By-law all land within the boundaries of the Planning Area is hereby divided and established into Zones which are shown on the attached Schedules by the accompanying symbols:

Section	Zone	Symbol
6	Shoreline Residential	SR
7	Residential	R1
8	Residential Multiple	R2
9	Institutional	I
10	Core Commercial	C1
11	General Commercial	C2
12	General Industrial	M1
13	Rural	RU
14	Open Space Recreation	OSR
15	Open Space Conservation	OSC
16	Future Development	FD

2.6 Schedules

Schedule B attached hereto, together with notations and references shown thereon, are hereby declared to form part of this By-law.

2.7 Zone Boundaries

1. The extent and boundaries of all zones are shown on Schedule B, and for such zones, the provisions of this By-law shall respectively apply.
2. Boundaries between zones shall be determined as follows:
 - a) Where a zone boundary is indicated as following a street or lane or highway, the boundary shall be the centre line of such street or lane or highway, and in the event of the closing of such street or lane or highway, the zone boundary shall be the former centre line of the said street or lane or highway;
 - b) Where a street or lane or highway, railroad or railway right-of-way, electrical transmission line right-of-way or water course is included in the zoning maps, it shall be, unless otherwise indicated, be included in the zone of the adjoining property on either side thereof;
 - c) Where a railroad or railway right-of-way, electrical transmission line right-of-way or water course is included on the zoning map and serves as a boundary between two or more different zones, the line midway on such right-of-way or water course and extending in the general direction of the long division thereof shall be considered the boundary between zones unless specifically indicated otherwise; and
 - d) Where a zone boundary is indicated as following the limits of a geographic township, the limit shall be the zone boundary.

Town of Gore Bay

Zoning By-law 2022-24

2.8 Closings

In the event a dedicated street or lane shown on Schedule B of this By-law is closed, the property formerly in such street or lane shall be included within the zone of the adjoining property on either side of such closed street, or lane. If a closed street or lane is the boundary between two or more different zones, the new zone boundaries shall be the former centre line of the closed street or lane.

2.9 Zoning Symbols

1. The symbols listed in Section 2.5 may be used to refer to any of the uses of land, buildings or structures permitted by this By-law (including the zoning schedules) in the said zones, and the intent of the By-law is that the associated zone regulations apply.

- a) Special Exception Zones

Where a zone symbol is followed by a dash and a number (for example “M1-1”), the lands so designated shall be subject to all of the provisions of the zone represented by such symbol, except as otherwise provided by the special exception provisions. These special provisions are listed separately under the appropriate special exception section of the parent zone (e.g. M1) in the text of this By-law.

- b) Holding Zones

Any zone classification may be placed in a Holding Zone by adding to the zone symbol the letter “h”. No development is permitted on lands where the “h” symbol appears until the applicable conditions have been met and the “h” is lifted by an amendment to this By-law under Section 36 of the *Planning Act*.

- c) Temporary Use By-laws

Temporary use By-laws may have been passed by the Town to allow temporary uses pursuant to Section 39 of the *Planning Act*. Temporary uses are shown on the schedules as special exceptions and details concerning the temporary use are included in the special exception text within the specific zone category.

 - d) such home occupation is clearly secondary to the main residential use and does not change the residential character of the dwelling or dwelling unit nor create or become a public nuisance, particularly in regard to noise, noxious odours or emission of smoke, traffic or parking;
 - e) such home occupation does not interfere with television or radio reception; and
 - f) not more than twenty-five percent (25%) of the gross floor area of the dwelling unit is used for the purposes of home occupation uses.

4.11 Minimum Distance Separation

Notwithstanding any other yard or setback provision in this By-law to the contrary, no building housing livestock or manure handling facility shall be erected unless it complies with the Minimum Distance Separation (MDS) Formulae as developed by the Ontario Ministry of Agriculture and Rural Affairs, as amended from time to time.

4.12 Multiple Uses on One Lot

Notwithstanding any other provisions of this By-law, where any land, building or structure is used for more than one permitted use, all provisions of this By-law shall be complied with for each use, except in the case of lot area, lot frontage, coverage and minimum yard requirements in which case the most restrictive or stringent requirement shall apply.

4.13 Non-Conforming Uses

1. Nothing in this By-law shall prevent the use of any land, building or structure for any purpose prohibited by this By-law if such land, building or structure was lawfully used for such purpose on the day of the passing of the By-law, so long as it continues to be used for that purpose.
2. This By-law is not intended to apply to prevent the erection or use for a purpose prohibited by the By-law of any building or structure the plans for which have, prior to the day of passing of the By-law, been approved by the Chief Building Official or Building Inspector, so long as the building or structure, when erected, is used and continues to be used for the purpose for which it was erected.
3. Where a building has been erected prior to the date of the passing of this By-law on a lot having less than the minimum frontage and/or area, or having less than the minimum setback and/or interior side yard and/or exterior side yard and/or rear yard required by this By-law, the said building may be enlarged, reconstructed, repaired or renovated provided that:

Town of Gore Bay Zoning By-law 2022-24

- a) The enlargement, reconstruction, repair or renovation does not further reduce a minimum front yard and/or interior or exterior side yard and/or rear yard provision established in the by-law; and
 - b) All other applicable provisions of this By-law are complied with.
4. A lot held as a single lot prior to the passing of this By-law may be built upon, even though said lot is of such size that it cannot comply with the minimum frontage and/or depth and/or area required by this By-law, provided that in the case of a lot in the Rural (R) Zone such lot has not less than 12 metres of frontage and not less than 790 square metres of area. Such lot shall require the approval of the Ministry of the Environment or its designated agent prior to the issuance of a building permit and the proposed use must comply with all other applicable provisions of this By-law.
5. Nothing in this By-law shall apply to prevent the alteration of a residential building existing at the date of passing of this By-law in a Commercial Zone, provided that such alteration does not contravene any of the provisions of this By-law for such use in the Residential (R1) Zone.
6. Nothing in this By-law shall prevent Council from acquiring or disposing of any land, building or structure used or erected for a purpose prohibited by the By-law or for the acquisition or disposition of any vacant land having a frontage or depth less than the minimum prescribed for the erection of a building or structure in the defined area in which the land is situated. Nothing in this By-law shall prevent Council from disposing of any such land, building or structure or prevent Council from exchanging any such land for any other land within the Planning Board.
7. A non-conforming use of a lot, building or structure shall not be changed except to a use which is permissible within such zone, or such other uses as may be approved under Section 45 of the *Planning Act, R.S.O. 1990, Chapter P. 13*.
8. A non-conforming use shall be considered to be terminated once the use ceases and the property is used for a permitted use.
9. Portable shelters, recreational vehicles, mobile home sites and shipping containers are not subject to the provisions of legal non-conforming uses.

4.14 Non-Complying Uses

1. Where a legal non-complying building or structure is damaged, destroyed or demolished, the building or structure may be reconstructed within its original location provided that:
 - a) The situation of non-compliance is not further increased; and
 - b) All other provisions of the By-law are complied with.

Efforts should be made to have the rebuilding of buildings or structures comply with all applicable setbacks and yard provisions of the applicable zones.

2. A legal non-complying building or structure may be enlarged or extended provided the situation of non-compliance is not further increased and it complies with all other provisions of the By-law.

4.15 Number of Dwelling Units on One Lot

Town of Gore Bay

Zoning By-law 2022-24

4.16 Properties with More than One Zone

Where a lot is divided into more than one zone, each such portion of said lot shall be considered separately for the purposes of determining zone provisions such as lot area, lot frontage, required front yard, required side and rear yards and each such portion shall conform to the provisions of the appropriate zone, but no lot shall have more than one dwelling unit on the whole except as specifically provided in this By-law.

4.17 Public Uses Permitted

1. The provisions of this By-law shall not apply to the use of any land or to the erection or use of any building or structure for the purpose of public utility or service by the Town of Gore Bay and/or any Public Authority, or Ministry of the Government of Ontario or Canada, including the Hydro One and Ontario Power Generation, or any telephone, telegraph, broadband or cellular or gas company, provided that where such land, building or structure is located in any zone:
 - a) no goods, material or equipment shall be stored in the open except as permitted in such zone;
 - b) the lot coverage and yard requirements described for such zones shall be complied with;
 - c) parking and loading requirements as contained in this By-law shall be complied with.
2. Nothing in this By-law shall prevent, in any zone, the installation of a watermain, sanitary sewer, storm sewer, gas main, pipeline or overhead or underground hydro and telephone line provided that the location of such pipe or line has been approved by the Corporation.

4.18 Signs

The provisions of this By-law shall not apply to prevent the erection, alteration or use of any sign provided such signs complies with the By-laws of the Corporation regulating signs.

4.19 Short Term Rentals

1. Where short term rentals are permitted in all or part of a residential building, the following provisions apply:
 - a) Parking shall be provided in accordance with Section 7.
 - b) The short-term rental use does not change the character of the residential dwelling, nor become a nuisance to the area in terms of parking, noise, or other factors.
 - c) Such short-term rental is licenced with the Town of Gore Bay if applicable.

4.20 Special Uses Permitted

1. The following uses are permitted in all Zones within the Municipality:
 - a) Temporary camps used in the construction of public works but only for so long as it is necessary for such works as may be constructed adjacent to the camp and only until such time as the work is completed, or abandoned, or

Town of Gore Bay

Zoning By-law 2022-24

- b) A tool shed, scaffold or other building or structure incidental to construction on the premises where it is situated and only as long as it is necessary for the work in progress and until the work is completed or abandoned.

“Abandoned” in this section shall mean the failure to proceed expeditiously with the construction of a work, specifically abeyance of construction for six (6) months.

4.21 Storage on Vacant Lots

Notwithstanding any other provisions of this By-law a vacant lot in a Residential Zone may be used for the storage or parking of no more than 2 of the following uses: a motor vehicle, boat, tourist trailer or other similar vehicle provided that the said motor vehicle, boat, tourist trailer or other similar vehicle is located on the rear one half of the vacant lot.

4.22 Uses Prohibited

1. No use shall be permitted which from its nature or the materials used therein is declared by the Local Board of Health or Council of the Corporation to be a noxious trade, business or manufacture under The Public Health Act, R.S.O. 1970 as amended, or regulations thereunder.
2. No land, building or structure shall be used for such Commercial or Industrial purpose as is likely to create a public nuisance or danger to health or danger from fire or explosion, except in accordance with the provisions of or regulations under The Gasoline Handling Act.

4.23 Uses Restricted

1. Notwithstanding any other provision contained in this By-law, the following uses are prohibited within 300 m of a residential zone or use:
 - a) The manufacture or storage of fertilizers from human or animal wastes.
 - b) The slaughtering of animals.

4.24 Planting Strip

1. A planting strip/vegetative buffer or a fence shall be provided on or near any property line where a commercial or industrial property abuts upon a residential property or zone. The vegetative buffer/planting strip or fence shall be provided in accordance with the following regulations:
 - a) Shall maintain a minimum vegetative buffer/planting strip of 3 m
 - b) A vegetative buffer/planting strip shall be used for no other purpose than a continuous fence or hedge row of evergreens or shrubs, not less than one and 1.5 metres high immediately adjoining the lot line or portion thereof along which such planting strip is required herein, provided that no fence or hedgerow shall be required or permitted to a height in excess of 1 metre closer to a street line than the required yard depth.
 - c) In all cases where ingress and egress driveways or walks extend through a planting strip, it shall be permissible to interrupt the strip within 3 metres of the edge of such driveway or within one and 1.5 metres of the edge of such walk.

Town of Gore Bay

Zoning By-law 2022-24

- d) A Planting strip referred to in this subsection may form part of any landscaped open space required by this By-law.

4.25 Waste Disposal Zone Setbacks

Residential dwellings are prohibited within 500 m of any waste disposal facility.

4.26 Waterfront Setbacks/Vegetative Buffer

1. Setbacks from Lake Huron

- a) No person shall erect any habitable building or structure in any zone abutting Lake Huron less than 15 m measured horizontally from the 100 year flood elevation contour of 177.9 m unless:
- i. The building or structure is located at least 61 m from the shoreline; and
 - ii. The building or structure is flood-proofed to 179.6 m Canadian Geodetic Vertical Datum (CGVD1928).

2. Setbacks from Inland Lakes/Watercourses

- a) That any lot abutting a waterbody establish a 30 m setback for dwellings and septic systems from the shoreline.

3. Vegetative Buffer

- a) The marine shore road allowance around all waterbodies extends 20 m from the shoreline. The marine shore road allowance, and the required front yard setback is to remain vegetated, and will be considered the shoreline vegetative buffer.
- b) No site alteration or vegetation clearance is permitted in the marine shore road allowance, or within 20 m from the shoreline unless a permit from the Town is obtained.

2. If the calculation of the required parking spaces results in a fraction, the required parking spaces shall be the next higher whole number.
3. When a building or structure accommodates more than one (1) type of use, as defined in this By-law, the parking space requirement for the whole building shall be the sum of the requirements for the separate parts of the building occupied by the separate types of use.
4. Any parking spaces required to be provided by this By-law shall be exclusive of the parking spaces used or intended to be used for the storage or parking of motor vehicles or major recreational vehicles for sale or rental.
5. Any area where off-street parking is permitted under this By-law shall be used for no other parking purpose than for the parking of operative passenger vehicles and commercial vehicles used in operations incidental to the permitted uses on the lot, all bearing currently valid licence plates. For the purpose of this subsection “commercial motor vehicle” shall mean any commercial vehicles as defined in the Highway Traffic Act.
6. When a building or structure has insufficient loading space at the date of passing of this By-law to comply with the requirements herein, this By-law shall not be construed to

Town of Gore Bay

Zoning By-law 2022-24

require that the deficiency be made up prior to the construction of any addition. No addition may be built, however, and no change of use may occur, the effect of which would be an increase in that deficiency.

7. No portion of any access driveway shall be located closer than 9.0 m to the intersections of two street lines or their projections
8. Notwithstanding the above, commercial uses in the Core Commercial (C1) zone are not subject to the parking provisions under Section 5.2.1.

5.3 Size/Location of Parking Spaces

1. Parking areas shall conform to the following requirements:
 - a) The parking area shall be located on the same lot as the use it is intended to serve except in the case of a water access lot where the parking area shall be located in a zone where such use is permitted by this By-law;
 - b) each parking space shall have a minimum width of 3 m and depth of 6 m
 - c) each parking space shall be provided with unobstructed access to a street by a driveway, aisle, lane or private road
 - d) any parking area designed to serve water access lots shall have a minimum area of 50 sqm for each lot to be served and no parking shall be permitted within 8 metres of the high water mark or within 3 metres of any lot line abutting a lot in a Residential Zone;
 - e) for any parking area in a Commercial or Industrial Zone which is required to be used in winter, an additional area equal to 20% of the required area shall be provided for snow storage.
2. Notwithstanding the yard and setback provisions of this By-law to the contrary uncovered surface parking areas, in other than residential zones, a parking area shall be permitted in any required yard or in the area between the road or street line and the required setback provided no part of the parking area, other than a driveway, is located closer than 1 metre to any road or street line. In residential zones no parking shall be permitted in the required front yard of any lot except on a driveway of 6 metres maximum width.

5.4 Parking Area Surface

In a Commercial or Industrial Zone, a parking area and driveway connecting the parking area with a street shall be maintained with a stable surface which is treated so as to prevent the raising of dust or loose particles. They shall, before being used, be constructed of crushed stone, slag, gravel, crushed brick (or tile), cinders, asphalt, concrete, Portland cement binder or like material and with provisions for drainage facilities.

5.5 Buffer Area

1. Where a parking area is situated on the boundary between a Commercial Use and a Residential Use or Open Space Zone, a strip of land, not less than three (3) metres wide and lying in the Commercial Use lot along the said boundary shall not be used for any purpose other than landscaping.
2. Where a parking space is situated in a Residential Zone and is designed to accommodate more than six (6) automobiles, a strip of land not less than three (3) metres wide, around the periphery of the said parking area and within the lot in which said parking area is

Town of Gore Bay
